### Day Threē

All things were made by God in six days.

On day one God made day and night.

On day two God made the sky.

The clouds, air, and wind were made by Him.

On day threē God made the earth.

The earth is like a big round ball.

The Bible tells us about the earth made by God.

God made the big earth on day threē.

All things were made by Him. John 1:3
