Challenger

Challenger is the online diagnostic test delivery and creation tool. Access existing tests or easily create and edit your own. With no marking and outcomes based reports, Challenger saves time giving you the freedom to teach.

The table below shows the students involved in each Drama group.

Drama Group	9th Grade	10th Grade	11th Grade
Acting	6	6	5
Singing	14	23	10
Dancing	8	10	12
Music	30	31	43

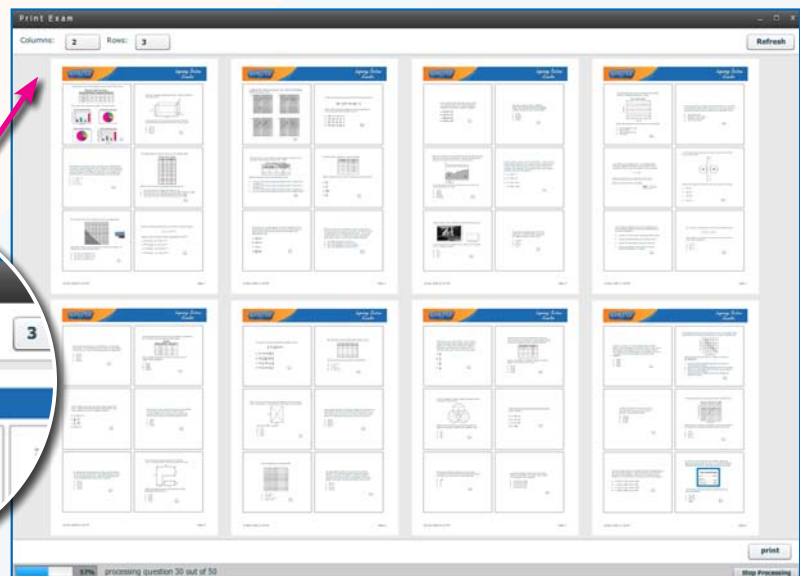

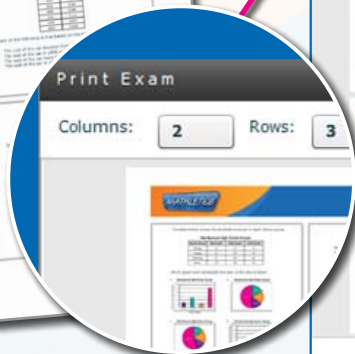

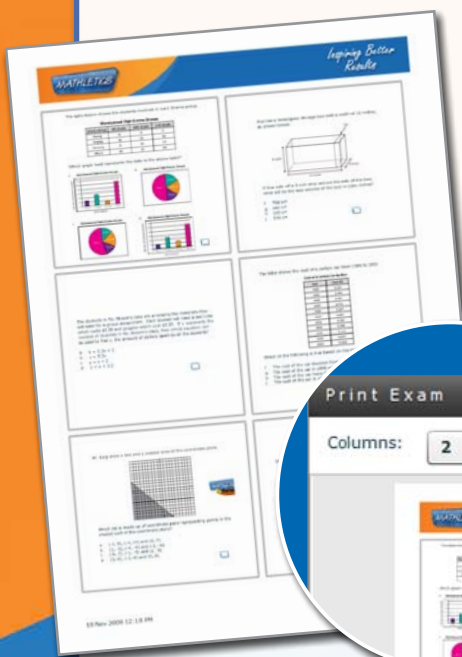

Which graph best represents the data in the above table?

Four graphs (a, b, c, d) are shown, each representing a different data visualization of the table above.

Tests are sat on line and automatically marked, saving you time and effort.

Tests can be printed for reference and student working.

Outcomes based reports are produced for you. Spend time analysing the results, not marking tests and preparing reports.
